

Lee Hovermale
Chief Executive Officer

Lee currently serves as Chief Executive Officer of FlexManage. Prior to his role as CEO, Lee spent 11 years as Executive Vice President for the company's South Central region.

Prior to joining FlexManage, Lee served as Principal/Chief Information Officer at Client Profiles Corporation based in Atlanta, GA. Before working at Client Profiles he was the Principal/Chief Information Officer at FirmLogic, L.P. In 1995, Lee was the co-founder of Enhanced Systems and Solutions (ESS), a leading integration firm serving the legal industry. He was a member of the ESS Board of Directors and the company's Strategic Planning Committee responsible for researching vendors and products to bring value to ESS E-Support and Web-based System Management Offerings. In 1999, ESS was recognized by the Houston Business Journal as the 2nd fastest growing private company in Houston. Prior to co-founding ESS, Lee specialized in law firm integration while employed with LAN Systems in Washington, D.C. Lee's expertise in the areas of security, professional project management, computer technology, product knowledge and Disaster Recovery/Business Continuance consulting has earned him the reputation as a leader in the Information Technology industry.
